

# Vision OF THE HOUSE 2024

**2024** is the year to set our minds on the things above, not on the things that are on earth, as we adhere to scriptural principles found in Acts 12:5, 1 Chronicles 7:14, Habakkuk 1:1 and Habakkuk 2:1. Many will feel the burden to intensify their prayer lives resulting in a shifting of their prayer focus. This **refocusing** will bring about a renewed desire for the things of God and a crying out to the Lord to invade their homes, our country, church family and other nations. (**Isa 58:6**)

Over the next 12 months, the expectations of the saints will rise as God accelerates and supernaturally restores all that was breached or broken in their individual lives and ministry. As Kingdom Believers, the Mount Tabor Church Family should expect to see **restoration** in all areas of their lives, as God uses His people to restore order, fortify the churches foundation and uphold the pillars upon which this ministry was built. (**Isa 58:12b**)

In **2024** God will heighten our spiritual insight to see as He sees and give us the strength to do what He wants to be done. His anointing will rest upon us to **rebuild walls, repair cracks, and rekindle** our **REAL connections** with each other, even as He rewards the faithful in all areas of their lives. This is the year when we will see **new relationships and partnerships forming, new business opportunities unfolding, and new strategies unveiling**, all designed to build and rebuild as God prospers, propels, and positions the people of Mount Tabor Church for greater Kingdom impact. (**Isa 58:12a**)

The Body of Christ and MTC in **2024** must become more agile and flexible as God shifts the status quo and challenges His people to pursue His will and walk in His ways. We can expect to see many moving out of their comfort zones and familiar territories as the spiritual gifts that lay dormant within them are stirred up. As a **Fresh Wind will blow, the faithful and unfamiliar will emerge with new gifts, skills and talents** as the entire Church comes alive and the saints take up their rightful places in ministry. There is a **repositioning in the spirit realm** for the full unveiling of God's plan and the pieces are falling in place. (**Isa 58:14**)

**2024 is the year we're Refocusing, Restoring, Rebuilding and Repositioning** to strengthen the things that remain.
